If a candidate fails to report to the allotted college, produce the required original documents, complete the admission formalities, or deposit the prescribed fee within the stipulated period, the provisional allotment shall stand **cancelled automatically**, without any further notice, and the resultant vacancy shall be included in the subsequent round of counselling.

6. Participation in Subsequent Rounds:

A candidate who is satisfied with the seat allotted in the previous round and has joined the allotted college need not participate in any subsequent round of counselling and shall retain the allotted seat.

7. Upgradation of Seat:

Candidates desirous of upgrading or changing their allotted course, institution, quota, or category shall be required to participate in the subsequent round(s) of Online Counselling and submit fresh preferences within the schedule notified by the University. Seat upgradation shall be considered strictly on the basis of merit, fresh preferences, and availability of seats.

8. Surrender of Seat:

A candidate intending to surrender the allotted seat before the commencement of the next round of counselling shall submit a written application for surrender to the Principal of the concerned college within the prescribed timeline, in accordance with the University rules. Surrender of the seat shall be governed by the applicable fee and admission regulations.

9. Fee Adjustment on Upgradation:

Where a candidate is allotted an upgraded seat in a subsequent round after having deposited the tuition fee at the previously allotted college, the candidate shall deposit the prescribed fee at the newly allotted college. The tuition fee already deposited at the earlier college shall be refunded or adjusted in accordance with the University's fee adjustment/refund policy applicable at the relevant time.

10. Second and Subsequent Rounds of Counselling:

Seats in the Second and Subsequent Rounds of Online Counselling shall be allotted strictly on the basis of:

- Merit of the candidate;
- Fresh preferences submitted during the respective counselling round;
- Applicable reservation policy; and
- Availability of vacant seats.

11. Filling of Preferences in Subsequent Rounds:

Candidates are advised to fill preferences for all colleges and quotas of their choice, irrespective of whether such seats are reflected in the vacancy position displayed before the commencement of counselling. During subsequent rounds, additional vacancies may arise on account of:

- Upgradation or shifting of candidates;
- Surrender or cancellation of seats;
- Conversion of reserved category seats;
- Conversion or surrender of NRI quota seats; or
- Any other reason permissible under the applicable rules.

Therefore, candidates should exercise their preferences based on their genuine order of choice rather than being guided solely by the vacancy position displayed at the time of counselling.

12. Eligibility of Other State Candidates:

Candidates belonging to States/Union Territories other than Punjab, who are otherwise eligible under the provisions of this Prospectus, shall be considered for admission only during the **Second and Subsequent Rounds of Online Counselling**, subject to availability of seats and fulfilment of all eligibility conditions.

Sir/Madam,

I am directed to invite your attention to the Punjab Government Circular Letter No.1/3/95-3PP II/2043, dated 29/1/1996 vide which the instructions were issued regarding simplification of procedure for obtaining the certificate of Domicile for purposes of admission to educational institutions (including technical/medical institution). The matter has been reconsidered in the light of judgement delivered by the Hon'ble Supreme Court of India in the case of Dr. Pradeep Jain Vs. Accordingly, it has been decided by the Government to revise the Government instructions referred to above as under:

Affidavit/Certificate and the authorities
competent to issue the same

- (b) Produce an affidavit to the effect that they or their Children/wards have not obtained the benefit of Residence in any other State

Copy of letter No.1/3/95-3PP-II/7332, dated 14th June, 1999

From: Chief Secretary to Government of Punjab to all the Heads of the department etc.
Subject: Issuance of certificate for the purpose of seeking admission to various educational/technical/professional institutions in the state and also for employment.

Sir,

It has been brought to the notice of Government that educational authorities and institutions prescribe various certificates regarding residence, SC/BC category and backward area etc. to be furnished by the students/candidates with the applications forms for entrance examinations or employment in the formats and by the authorities different from those prescribed by the Government departments. Cases have also been reported where the authorities concerned insist on retaining original certificates and refuse to accept the attested photo copies of the certificates. All this results in harassment and panic among the students/candidates and their parents/guardian, since they have to apply with such certificates to more than one authorities simultaneously and within a limited period. The lists of certificates required at the time of applying for CET/PPBNET/PMT and PAU are enclosed by way of illustration.

2. In order to overcome the difficulty mentioned above, it has been decided by the Government that following procedure has been decided by the Government that the following procedure shall be followed meticulously by all the educational and other authorities concerned:-

- i) Certificates issued in the format and by the authorities prescribed by the Government Departments shall be accepted as valid by all educational institutions and other authorities.
- ii) Where a number of authorities have been authorized to issue the certificates there shall be no insistence on issue of a certificate by any particular authority or by the highest authority indicated in the format.
- iii) (a) In case of entrance examinations, no certificate should be called for in the first instance alongwith the application form. It will be sufficient for the candidate seeking admission or other facility to indicate in the application form whether he/she belongs to any particular category entitling him/her to certain concessions or facility. Requisite certificates may be obtained only from the selected/wait listed candidates.
- iii) (b) To further simplify the procedure attested copies of the certificates only shall be retained and original certificates if required to be produced at the time of interview shall be returned immediately, thereafter.
- iv) Parents/guardian or candidates can also obtain SC certificates from the Head of the institution where the candidates has studied if the proof is available in the school records.
- v) The persons who are employed in Government of India or any other State Government are to be treated at par with the employees of the Government of Punjab in the matter of issue of Scheduled Caste certificate provided relevant Scheduled Caste certificate exists in their service record. The Scheduled Caste certificate in such will be issued by the respective Heads of Departments in the Proforma below:-

- vi) In case of freedom fighters, political sufferers terrorists/riot victims and migrations where the registers are maintained by DC office, the certificate may be issued by Deputy Commissioner/GA to DC/ADC.

These instructions shall come into force with immediate effect and shall be effective even where admission prospectus have already been printed following earlier instructions but entrance examination is yet to be hold or deadline for submission of forms is not yet over.

These instructions may be brought to the notice of all concerned for meticulous compliance.

The receipt of this letter may please be acknowledged.
